The In-Person Filing Process:

Come prepared: Remember that Court staff members are not permitted to give legal advice.

1. Bring all completed documents to the Domestic Relations Docket Office at 800 Broadway on the 3rd floor, Room 3-46. The Docket Office staff will check that all required documents are completed. They will tell you if any paperwork is missing so be sure to refer to the required forms checklist so you don't forget anything.

2. Once the Docket Office approves the completed forms, you will be provided a classification form and be directed to the Clerk of Courts Office, Room 3-47 (both offices are located in the same area on the 3rd floor).
3. The Clerk of Courts office will collect the \$375.00 filing fee, assign a case number, and keep your original set of documents for their file. The extra copies of the documents that you have provided will be stamped and returned to you.
4. Next you will go back to the Docket Office and give one of the stamped set of copies to the Docket Clerk. The staff will enter your case into their system, assign a Judge and a Magistrate, and schedule your court date. There is a requirement that the hearing be scheduled at least 30 days from the date of filing and **both parties must be present at the scheduled hearing**. A printout with the Magistrate's name, room number, hearing date, time, and information to prepare for the hearing will be provided.
5. Your case is now filed and your hearing date has been set. Prior to your Merit Hearing, the Decree Office staff will review your Decree paperwork and contact you if any additional information is needed. If modifications are needed, the Decree Office will contact you with instructions. All modifications must be completed prior to the Merit Hearing.

The E-Filing Process:

1. In order to e-file a Dissolution of Marriage, you will have to register for an e-filing account with the Hamilton County Clerk of Courts (<https://efiling.hamiltoncountycourts.org/>).

If modifications are needed, those documents will be rejected and available to review, modify, and resubmit through your e-filing account before they are submitted to the judicial officer. All modifications must be completed prior to the Merit Hearing.
