HAMILTON COUNTY, OHIO

Case No: M2200004
ADMINISTRATIVE ORDER
Electronic Filing – Revised 06/06/2022

I. APPLICATION AND SCOPE OF ADMINISTRATIVE ORDER

On June 24, 2019, the Hamilton County Court of Domestic Relations (“the Court”) and the Hamilton County Clerk of Courts (“the Clerk”) began phased implementation of a new electronic filing system (“the E-Filing System”). The phased implementation began with a soft launch that included selected participants.

Upon completion of the soft launch, the Hamilton County Court of Domestic Relations and the Hamilton County Clerk of Courts began optional electronic filing (“e-filing”) for all domestic relations filing types, except domestic violence civil protection petitions, inner court transfers, and registration actions.

Consistent with the Rules of Superintendence for the Courts of Ohio, Rule 5(E) and 11 of the Ohio Rules of Civil Procedure, and the Draft Standards for Electronic Filing Processes of the Subcommittee of the Supreme Court of Ohio Advisory Committee on Technology, the Court hereby adopts this Administrative Order governing electronic filing.

The Court may amend this Order or issue additional administrative orders, or adopt local rules that supplement this order.

X. FILING DATE AND TIME OF ELECTRONICALLY FILED DOCUMENTS

- A. The E-Filing System is hereby appointed the agent of the Clerk for purposes of electronic filing, receipt, service, and retrieval of electronic documents. Electronic filings can be submitted at any time. The e-filed document will be considered filed as of the date and

time that the Clerk receives the entire transmission of documents. The time of transmission will follow Eastern Standard Time or Eastern Daylight Savings time as it is the time in which the Court governs, not the time zone from which the e-filing is submitted.

- B. Upon receipt of submitted documents, the E-filing System will send email notification to the filer that the documents have been received. This email notification will include the case number, case caption, and the date filed. The filer will receive a subsequent email notification through the E-filing System that the documents have been processed or rejected for filing. The email notification for a rejected e-filing will include the *confirmation number, case number, case caption, date filed, and reason for rejection*. The email notification for a successfully processed e-filing will include the confirmation number, case number, case caption, date filed, and date processed.
- C. Each accepted and processed document will receive an electronic stamp. This stamp will include the date and time the document was submitted by the filer. The stamp will also include the confirmation number. Once a document is electronically stamped and entered on the docket, it is considered part of the Official Court Record.
- D. While electronic documents may be submitted to the Court twenty-four (24) hours a day and seven (7) days a week, documents submitted on a Saturday, Sunday, or Court holiday will be deemed filed on the following business day regardless of the electronic stamp. This does not in any way alter the provision of Civ.R.6 which states that filing deadlines that fall on a Saturday, a Sunday, or a legal holiday run until the end of the following day that is not a Saturday, a Sunday, or a legal holiday.
- E. In the event the Court or Clerk rejects a submitted document, the document shall not become part of the Official Court Record and the filer will be required to resubmit the document to meet filing requirements. If the resubmitted document is accepted and processed, the electronic stamped date will be the resubmission date.

XI. SERVICE OF ELECTRONICALLY FILED DOCUMENTS

Service is not automatically done by using the e-filing system. The filer shall perfect or request service on all parties as provided in the Civil Rules of Procedure.

- A. Civil complaints and summonses will be served by the Clerk in accordance with Civ.R.4-4.6. The filer must serve all other e-filed documents in the manner provided in applicable Civil Rules. Each e-filed document submitted to the Clerk that requires service must include a completed certificate of service which shall state the manner of service and address to be served as provided in this rule.
- B. The filer may request that the Clerk serve an e-filing by the means provided in the operating procedures for e-filing on the Clerk of Courts website.

XII. FILING OF DOCUMENTS REQUIRED IN PAPER FORM

- C. **Documents to Register, Enforce, and Modify Foreign Orders**
- D. **Any other documents as directed by the Court**

XII. USER FILING ERRORS AND TECHNICAL PROBLEMS

A. User Filing Errors

A filer cannot make changes to any document once it has been electronically submitted for filing. A document that is incorrectly submitted (e.g. as a result of entering the wrong case number, attaching an incorrect file to a submission for e-filing, choosing the incorrect filing type, or where the electronic file is corrupt or unreadable) will be rejected and the filer will be notified of the rejection with a reason. The e-filing can then be corrected and resubmitted. If the filer discovers an error on an e-filing that has been submitted but not processed by the Clerk, he or she may contact the Clerk as soon as possible to have the e-filing rejected for resubmission. Once the document has been accepted and processed by the Clerk, only a Judge can strike the document in the event it has been filed in error.

B. Technical Failures

Any e-filer whose filing is made untimely as the result of a technical failure of the Clerk of Courts E-Filing System, or the filer's computer hardware or software, phone lines or internet service provider (ISP), may move for leave to file instanter or for other appropriate relief from the Court. Such technical failures cannot extend jurisdictional deadlines. The motion shall be accompanied by an affidavit stating the circumstances of and reason for missing the deadline and must be filed no later than noon of the first day on which the Clerk of Courts is open for business following the original filing deadline. The Court will consider the matters as stated in the affidavit and may order appropriate relief.

XIV. COLLECTIONS OF FILING DEPOSITS AND FEES

- A. Any document requiring payment of a filing deposit or a fee to the Clerk in order to achieve valid filing status shall be filed electronically in the same manner as any other e-filed document.
- B. The authorized E-Filing System will establish a means to accept payment of deposits and fees electronically. The E-Filing System will establish a process for filing with an affidavit of indigency.
- C. Any document and/or court action requiring a filing fee will be made using a valid credit card through the E-Filing System.
- D. Any document filed electronically that requires a filing fee may be rejected by the Clerk unless the filer has complied with the rule concerning payment of fees.

The Clerk of Courts is authorized to prepare and maintain operating procedures and instructions for electronic filing. These are available on the Clerk's website, <https://www.courtclerk.org/>.
